

WARREN TEBBS.

MARCH 30, 1860.—Ordered to be printed.

---

Mr. FOSTER, from the Committee on Invalid Pensions, made the following

REPORT.

*The Committee on Invalid Pensions, to whom were referred the petition and papers of Warren Tebbs, asking arrears of pension, report:*

That the petitioner was a private in the service of the United States during the war of 1812 with Great Britain, and, as he alleges, contracted severe rheumatism from exposure.

It appears that in 1851 he obtained a full pension, which he now enjoys. There are no special services proven nor extraordinary circumstances shown which particularly entitle him to more than he has already received from the government, and, having obtained all that the law affords, your committee are of opinion his prayer ought not to be granted. They, therefore, ask to be discharged from the further consideration of the petition.
